

Thank you for supporting Costa Maya Ministries!

THANK YOU!

We are very thankful for your interest in God's mission in the Costa Maya! We are in the "frontier" area of Mexico. Our two churches in Mahahual and Chetumal - Cruz de Cristo (the red star on the map), are the only Lutheran churches in the entire Yucatán Peninsula - an area of 5 million people. We're blessed to reach out to our communities with God's Word and loving actions of Christian service!

While we are WELS affiliated, Costa Maya Ministries is a "labor of love" started in 2007 by a lay family and now is operated by a group of WELS members, all volunteers, and two full time pastors. By God's grace we are growing!
